

# Big Steps Little Feet

May 2021

## Happy Birthday!!

Mrs. Jana 5/9/??  
Finn R. 5/13/19  
Trinity B. 5/16/19  
Beckett K. 5/20/18  
John Z. 5/21/19  
Ms. Melanie 5/21/??  
Aiden A. 5/25/18  
Mr. Josh 5/28/??  
Bryson K. 5/31/19

## Welcome!!

We are so excited to welcome back a previous family!

Little Ms. Sloane is new to the infant room!

## Just a Reminder!

We are closed on May 31 for Memorial Day! We hope you all have a wonderful holiday!

## Picture Delivery!

An update for those families who got their children's portraits done here on picture day. The pictures should be here in approximately a week and a half. We do not have an exact date, but when the pictures are delivered we will notify you as soon as possible!

## Summer Calendar

We are so excited for this years Summer Calendar! We have some fun new activities for everyone to enjoy!

One change we are making is that, every Wednesday during the summer will be “Water Wednesday” (weather permitting). We suggest having a set of swim clothes, towel and water shoes (if you prefer) to keep at the center. We will send everything home on the weekends just like bedding. This way, water days can be rescheduled if needed!

And as with all items you bring to the center....**LABEL IT TILL YOUR MARKER RUNS OUT!**

## June Updates!!

Be sure to check your email regarding our return to indoor drop-off/pick-up routines! We are excited to have you back in the building, but we are trying our best to ensure everyone remains healthy and happy!!

## A Big Shout Out to our Families!

We all would like to thank all of our families SO much for taking all the changes we had to make during the pandemic with such grace. We had to figure a lot of stuff out as we went but we feel that things went as good as they possibly could during these uncertain times.

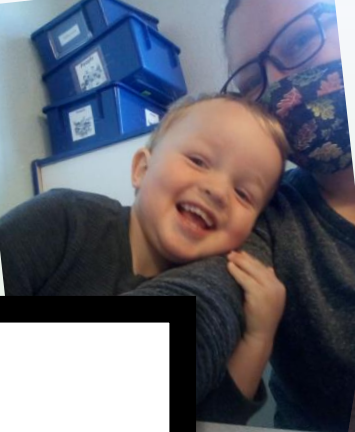

That being said, the pandemic is not over. We are still working hard to make sure all our cleaning and sanitization procedures are top tier. More than half our staff have been fully vaccinated and handwashing has never been better!

In the coming weeks you can help us maintain this level of quality by ALWAYS wearing a face mask while in our facility, using the hand sanitizer upon entering the building, and limiting the time you spend inside the center.

thank  
you!

THANK YOU!!!

We get 18 delicious  
summers with  
our children.  
This is one of your 18.  
If that's not perspective,  
I don't know what is.  
-Jessica Scott
